

Compact mobile hot water high pressure washers with unique vertical design

Innovative compact hot water unit with unique vertical design, high performance and great reliability.

The NEPTUNE 2 model is ideal for everyday, low frequency cleaning tasks in the automotive segment, for tradesmen or around small farms. NEPTUNE 2 combines a unique, highly mobile design with great performance levels and ground breaking features from the larger NEPTUNE lines. NEPTUNE 2 ensures low cost of cleaning with reduced running costs, low storage requirements due to the compact design, and yet a high level of reliability thanks to the many safety functions and professional materials used. It is an unbeatable addition to the hot water range.

PRODUCT FACTS

- Unique vertical design with reduced footprint, easy storage possibilities.
- Low fuel costs with the EcoPower boiler system.
- High reliability thanks to flame sensor, exhaust gas sensor, low fuel security and DuoMotor system.
- High performance levels for efficient cleaning.
- Ergonomic accessory concept.
- 3 % lower fuel consumption
- 42 % smaller footprint.
- 10 % greater running time(based on full fuel tank)
- 100 % mobility.
