

Large ride-on sweeper with manual dump for large areas and narrow spaces

A compact design combining a wide sweeping path, excellent manoeuvrability and enough power for a ramp climbing capacity of up to 20%. Riding the new FLOORTEC R 670 you can cover large areas of floors and get the job done quickly, effectively and with maximum driver comfort.

The FLOORTEC R 670 is also a robust sweeper designed to withstand tough working conditions indoors or outside. Perfect ergonomics, user-friendly operation and low maintenance costs are among other significant advantages. FLOORTEC R 670 means dust-free and trouble-free sweeping 365 days a year.

PRODUCT FACTS

- Two side brooms sweep a wide path
- Easy to inspect/change filters and brooms without tools
- Forward/reverse control on the panel improves ergonomics and safety
- Powerful vacuum motor and large filter for continuous dust free sweeping
- Corrosion proof metal frame and polyethylene bodywork protects your investment
- Thermal fuses on the drive and broom motors for protection and reduced maintenance cost
- Flap lifting device for picking up large debris
- Operator entry from both sides
- Adjustable steering wheel
