

Slim Folded Profile

Powerful Motor

Selection of Brushes

LoLine NLL332

The Loline range of low profile floorcare machines has been developed to meet both the growing demand and need for a choice of models that are smaller in size, lighter in weight, compact and convenient in storage whilst, at the same time, being quick and easy to use without loss of performance.

The new Loline rotaries have been designed specifically to meet this demand and raise the handling and performance levels to an exceptional user friendly standard, be it for men or women operators.

The smallest model in the Loline range can claim performance characteristics equal to that of bigger, more industrial machines, yet with an ease and speed of operation that will immediately endear it to any operator.

A full range of 33cm (13") brushes and pad drives allows the machine to be used for all of the primary floorcare functions.

200rpm

With a total weight of only 18Kg and an operating speed of 200rpm, the machine literally exudes convenience and versatility. Fast and user friendly like never before.

NLL332

Full range of brushes and pad drives. See page 15.

Motor	Deck	Brush	Pad	Power	Speed	Range	Weight	Size
400W	330mm	330mm	330mm	230V AC 50Hz	200rpm	32m	18Kgs	1145 x 330 x 540mm
