

## Walk Behind 660, 710, 860 mm Battery Powered Cylindrical/Orbital Scrubber Dryers

The new Nilfisk-ALTO SCRUBTEC 8 series of scrubber dryers are suitable for large area cleaning. They offer more versatility, greater productivity, better reliability, extremely silent and advanced ergonomics.

Each of the five models in the range feature the latest technologies developed through

This series of walk-behind units is truly state-of-the-art in scrubber dryer efficiency. Gimbal-mounted brushes provide adjustable pressure to ensure effective cleaning, even on heavily soiled surfaces; the parabolic AccuTrack™ squeegee leaves the floor dry and ready for re-use; the brush decks are interchangeable; the one-touch controls reduce operator errors and improve cleaning results; the ergonomics are such that operator fatigue is minimised -the list goes on!

The superb performance of the SCRUBTEC 8 machines brings a new dimension to large area floor cleaning. When scrubbing and drying is this efficient, costs are optimised and the benefits become obvious. Reliable and easy to use, this latest innovation from Nilfisk-ALTO provides added value to professional cleaning

## PRODUCT FACTS

- Excellent ergonomic design easy to understand control panel with "One Touch" Scrub Control
- Large 85 litre solution and recovery tanks provides longer run time between dump and fills.
- Patented electronic pulse solution delivery system delivers precise and consistent solution without use of mechanical valves.
- The Scrubtec 8 Boost qualifies for up to 28% government Cashback under the new ECA Water Technology Product List. For more information visit the news section on nilfisk
